Directors' Report

The Directors present their report for the half year ended 31 December 2007.

Directors

The names of the Company's Directors in office during the half-year period and until the date of this report are as below. All directors were in office for this entire period.

Alister T Maitland	(Chairman)
CRS Paragash	(Group Managing Director)
Andrew Phang	(Group Executive Director)
Adam Sierakowski	(Non-Executive Director)
Shariffuddin Khalid	(Non-Executive Director)

Principal Activities

The principal activity of the Company consists of investment holding.

The principal activity of the Group is the manufacture of biodiesel primarily from palm oil with an increasing focus on the value chain upstream including oil palm plantations and mills. There have been no significant changes in the nature of these activities during the period. The Group has yet to commence biodiesel manufacturing operations.

Review and Results of Operations

The consolidated loss after income tax for the half-year ended 31 December 2007 was \$10,147,000 (2006: loss of \$1,600,000). This includes a non-cash impairment charge of \$7,900,000 (2006: nil) against the carrying value of the Group's biodiesel plant in Lahad Datu, Malaysia. Without the impairment charge, the loss for the half-year would have been \$2,247,000.

The impairment charge has been made as a result of the uncertainty over when the Group can commence biodiesel production. This uncertainty has arisen due to the sustained peak in feedstock prices. In addition, although the outlook for the biodiesel industry remains generally positive, biodiesel prices have yet to show a corresponding increase to compensate for the increase in feedstock prices. In these circumstances, the Board has taken the conservative view that it would be prudent to make the impairment charge.

In the interim, and until feedstock prices begin to show a downward trend or biodiesel prices begin to compensate for the increased cost of feedstock, the Company is unable to provide any guidance on its profitability.

The Company continues to manage its cash flows and contain costs so as to put itself in a position to see through this period of uncertainty.

Significant Events During The Period

On 14 September 2007, the Company's wholly-owned Malaysian subsidiary SPC Biodiesel Sdn Bhd acquired 2 ordinary shares of RM1 each at par in Sterling Plantations Sdn Bhd (formerly known as Serba Sawit Sdn Bhd). Sterling Plantations owns 70% equity interest in SPC Sawit Sdn Bhd (formerly known as UTE Power Sdn Bhd) for a cash consideration of \$23,000. SPC Sawit has the right to develop and manage 10,600 acres of oil palm plantation land. The development rights are for a period of 60 years with an option to renew for another 30 years.

On 2 October 2007, SPC Biodiesel Sdn Bhd accepted an offer of a trade facility of \$8,579,000 (RM25 million) from a Malaysian financial institution. The facility is for the purchase of raw materials and other working capital purposes. As at 31 December 2007, the facility remains unutilised.

Rounding of Amounts

Sterling Biofuels International Limited is an entity to which Australian Securities and Investments Commission Class Order 98/100 applies. Pursuant to this Class Order, amounts reported in this report and the financial statements have been rounded to the nearest thousand dollars, except where not permitted to be rounded under the Corporations Act 2001.

Auditor's Independence Declaration

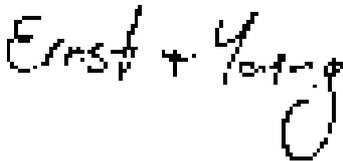

We have obtained the auditor's independence declaration from Ernst & Young, which is set out on page 4.

Signed in accordance with a resolution of the Board of Directors.

This responsibility includes establishing and maintaining internal controls relevant to the preparation and fair presentation of the half year financial report that is free from material misstatement, whether due to fraud or error; selecting and applying appropriate accounting policies; and making accounting estimates that are reasonable in the circumstances.

Auditor's Responsibility

Our responsibility is to express a conclusion on the 31 December 2007 half year financial report based on our review. We conducted our review in accordance with Auditing Standard on Review Engagements ASRE 2410 Review of an Interim Financial Report Performed by the Independent Auditor of the Entity, in order to state whether, on the basis of the procedures described, we have become aware of any matter that makes us believe that the financial report is not in accordance with the Corporations Act 2001 including: giving a true and fair view of the consolidated entity's financial position as at 31 December 2007 and its performance for the half year ended on that date; and complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001 and other mandatory financial reporting requirements in Australia. As the auditor of Sterling Biofuels International Limited and the entities it controlled during the half year, ASRE 2410 requires that we comply with the ethical requirements relevant to the audit of the annual financial report.

A review of a half year financial report consists of making enquiries, primarily of persons responsible for financial and accounting matters, and applying analytical and other review procedures. A review is substantially less in scope than an audit conducted in accordance with Australian Auditing Standards and consequently does not enable us to obtain assurance that we would become aware of all significant matters that might be identified in an audit. Accordingly, we do not express an audit opinion.

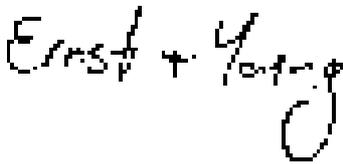

Independence

In conducting our review, we have complied with the independence requirements of the Corporations Act 2001. We have given to the directors of the company a written Auditor's Independence Declaration, a copy of which is included in the Directors' Report.

Conclusion

Based on our review, which is not an audit, we have not become aware of any matter that makes us believe that the interim financial report of Sterling Biofuels International Limited is not in accordance with the Corporations Act 2001, including:

- (i) giving a true and fair view of the consolidated entity's financial position as at 31 December 2007 and of its performance for the half year ended on that date; and
- (ii) complying with Accounting Standard AASB 134 Interim Financial Reporting and the Corporations Regulations 2001.
